BREEDINGS FOR LIFE!

ALPACAS WITHOUT BORDERS MARKETING PROGRAM
GENEROUSLY DONATED BY THE ALPACA
TRADING COMPANY MIKE & STEPH BARNHART

CCNF Brigadier

That's right, we are offering breedings to one lucky female (alpaca) for her entire life! Here's how it works - you designate one female to be the one. You can then breed her to any of ATC's herdsires* for her entire life absolutely free.** With virtually no limitations, you can select from any Herdsire The Alpaca Trading Company owns. Breedings are non-transferrable and apply only to the designated female. Pick a two year old and this could be worth a whole lot! And to make this extra special, we are going to allow the first breeding to be to Torbio! Then you can select from any of our herdsires in subsequent years including the 2008 Futurity and MAPACA Color Champion Legend's Gold by Torbio. This is a great way to assure top genetics for one lucky girl for THE REST OF HER LIFE!!!

Tobio's Legends Gold

50% of the proceeds for this lot will be donated to the marketing program for Alpacas Without Borders, a group dedicated to promoting the American Alpaca!

Peruvian Accoyo Gold

*Initial breeding may be to Torbio, then he will be restricted for all other years. Herdsires included may change as ATC adds and/or sells herdsires. Breedings are good only to those Herdsires ATC owns at the time of the breeding.

**Price includes all breeding fees associated with the Alpaca Trading Company standard breeding contract, which may change at any time.
